

Holy Spirit Missionary Sisters

We,
Holy Spirit
Missionary Sisters,
are an international
religious community
rooted in Trinitarian
Spirituality.

Mission Exposure & Volunteer Opportunity

Are you interested in joining our Sisters in their missionary activities as a lay volunteer?

For those who are interested, we provide opportunities for mission exposure through our Holy Spirit Lay Missionary Program.

Through this Program, lay persons will acquire missionary experience for a certain period of time (up to 12 months) by praying, living, and working together with SSPS Sisters in domestic and international ministries.

Who We Are

We, Missionary Sisters Servants of the Holy Spirit are grounded in Trinitarian spirituality. We are called and joyfully respond to God's invitation to take part in cultivating God's kingdom among people from many cultures and backgrounds.

Living in international and intercultural communities, we celebrate diversity and unity in our communal living. Inspired by the Holy Spirit, we dedicate ourselves

to be bearers of the Good News, witnessing to God's love, and working for justice, peace, and integrity of creation.

We especially turn our attention to the poor and marginalized. We are willing to be sent anywhere around the world for service and mission. In collaboration with dedicated laity and clergy, we journey together to make God's Kingdom known to all peoples of the world.

What We Do

Together with our Sisters from over 50 countries on five continents, we participate in the mission of Jesus through education, healthcare, parish and social services, fine arts, domestic arts, retreat work, spiritual direction, and many other ways in which we can be of service to others.

Our Ministries in the US & Caribbean

- We engage with others in promoting Justice, Peace, & Integrity of Creation.
- We work with underprivileged women and children through our ministries in parishes, prisons, schools, and the Holy Spirit Life Learning Center.
- We enkindle the love of Mission through the Holy Spirit Missionary Association.

Becoming a Missionary Sister

Are you interested in finding out about our missionary call and service?

Are you interested in serving God and making a difference in the world by becoming a Missionary Sister?

We welcome women between the ages of 18 and 35 who:

- Feel called by God to a religious missionary life;
- Have good physical and mental health;
- Are willing to help others & are open to personal and professional growth;
- Want to share their lives & faith with other women.

We offer programs for those interested in learning about us through:

Come & See

The aim of this program is to offer a brief encounter with our mission, spirituality, ministries, international and intercultural community living, and share vocation & mission stories.

Retreat

Short retreats are offered during the year:

- Discernment Retreat
- Holy Week Retreat
